## Chappellet Wine Club: Terms and Conditions

- **Benefits** – Your Member benefits immediately go into effect after accepting your inaugural club shipment.
- **Cancellation** – As a member, you may cancel or suspend your membership at any time.
- **Customization** – Because we always wish to ensure that you are thrilled with your club offerings, you are invited to customize any of your shipments as you wish with advance notice.
- **Re-order Pricing** – Your exclusive re-order pricing benefit is active for 30 days after receiving your club shipment and applies only to the wines released in that most recent club shipment.
- **Member Pricing** – Your member-exclusive pricing applies to all current release and non-allocated wines. Unless otherwise noted, member pricing does not apply to large-format bottlings, library vintages or Pritchard Hill Cabernet Sauvignon allocations.
- **Club Member Tastings at Chappellet** – While we love hosting our members on Pritchard Hill, all reservations are booked on a first-come, first-serve basis, so please contact us early so that we may ensure a wonderful experience for you and your guests.
- **Declining Club Shipments** – After a year of membership, you have the option to decline one shipment per calendar year. If circumstances require you to skip multiple shipments in a calendar year, please contact your Chappellet Ambassador so that we may discuss the option of putting your membership on hold.
- **Credit Card and Payment Information** – In order to maintain your active membership status, we require a current credit card on file. If we do not have a card on file, or your credit card expires, we will make three attempts to contact you before your membership is placed on hold until we receive updated payment information.
